General Art Guidelines:

- CMYK Color Mode
- All Solid Coated Pantone colors should be called out in the art as spot colors
- Embed all images and support files
- Resolution must be 100-120 ppi
- All fonts must be created to outlines
- Do not scale artboard
- Background color/images must bleed to the edge of artboard
- Do not use spot colors from template in your artwork as they will not print

FRONT

nished edge –

do not design critical elements in this area

This area will be covered once the material from the front of the graphic has been folded to the back to create the pole pocket

BACK

finished edge – bleed area –

This area will be covered once the material from the front of the graphic has been folded to the back to create the pole pocket
