Grippa top rail attachment recommended for semi-permanent or long term use. Adhesive top rail attachment recommended for short term use.

WARNING: Always attach graphic to base and top rail before removing the locking pin. After fitting, the graphic should be left for 24 hours before use to ensure the adhesive bonds sufficiently. Opening the base will invalidate the product warranty.

Graphic tension may be re-applied or added by turning the ratchet tensioner clockwise.

additional information:

Graphic materials:
14oz. anti-curl vinyl, Premium 100% opaque fabric, 11 mil melinex

Stand-off rectangle counter top is available in black thermoform only.

Stand-off literature rack is available (L112-2 only)

Hardware

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.

Set-up

1. Twist telescopic pole to extend
2. Secure pole(s) in the base of stand
3. Gently lean the unit back and pull the graphic up by the toprail
4. Leveling feet located under unit

Graphic to top rail attachment (metal insert)

1. Loosen each screw from the rail using provided allen key and remove metal insert (do not remove screws)
2. Peel film to expose adhesive; place metal insert from graphic rail on top back side of the graphic point
3. Press down on the metal insert to make sure adhesive is secure on graphic
4. Insert the metal insert with graphic attached into the top graphic profile rail

Quick slide top rail attachment (plastic insert)

1. Remove top slider from graphic rail
2. Remove film to expose adhesive on top slider
3. Align and apply to top slider on the top front of graphic
4. Printed side down
Insert graphic onto graphic rail

Flip open the cassette door

Carefully remove the cassette from the outer cartridge

Line the bottom of the back of graphic print with adhesive tape on white leader strip

Once aligned pull adhesive tape slowly while applying pressure to graphic to adhere tape

Place additional masking tape to the back of the graphic for extra protection

Remove pin while holding onto the graphic so the graphic does not retract back in quickly

Slowly retract the graphic back into the base

Place interchangeable cartridge back into the outer cartridge with graphic retracted back in

Flip open the cassette door

Carefully remove the cassette from the outer cartridge

Line the bottom of the back of graphic print with adhesive tape on white leader strip

Once aligned pull adhesive tape slowly while applying pressure to graphic to adhere tape

Place additional masking tape to the back of the graphic for extra protection

Remove pin while holding onto the graphic so the graphic does not retract back in quickly

Slowly retract the graphic back into the base
