## Trio 2

TRIO-2
An excellent choice for a telescopic banner stand, the Trio supports a single and double-sided graphic. Made of anodized aluminum, it is very stable, quick and easy to set-up.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E\&OE. See Graphic Templates for graphic bleed specifications.

## features and benefits:

- 2 graphic widths, 800 or 920 mm
- Snap rails for replaceable graphics
- Single sided or double sided

Bungee and telescoping pole

- One year hardware warranty against manufacturer defects
