Coyote Mini

COY-M-KKG-3X2-C
COY-M-KKG-2X2-C

The Coyote popup display system combines strength, reliability, and style in a lightweight and easy to use system. It is fully magnetic, making it simple to assemble and disassemble, and is available in two sizes.

features and benefits:
- Quick to set up
- Easy to store and ship
- Single or double sided
- LED lighting available
- Approx. 20% smaller than standard Coyote tabletops
- Collapses to a fraction of its size

additional information:
- Recommended material: 22mil Opaque PVC

End panel substrate is to be 10 mils or less

If printing own graphics, magnet must go directly to edge of panel
Frame Set-up

1. Unpack the frame.
2. Slowly pull upward on the frame to extend it.
3. Push together all locking arms.
4. Place channel bars on frame. Slide into triangular groove to secure.
5. Cover front of frame and two back corners with channel bars.
6. Start graphic attachment with end caps.
7. Hang the panels using the hooks on top of the unit.
8. After panel is secured to top hook attach to back and front magnetic channel bars.
9. Once end caps are secured attach the main panels using hooks.
10. Once panels are hooked to top, attach to magnetic channel bars.
11. Repeat process until all graphic panels are secured.
12. Unit is complete.
