Coyote Mini

COY-M-KKG-3X2-C
COY-M-KKG-2X2-C
The Coyote popup display system combines strength, reliability, and style in a lightweight and easy to use system. It is fully magnetic, making it simple to assemble and disassemble, and is available in two sizes.
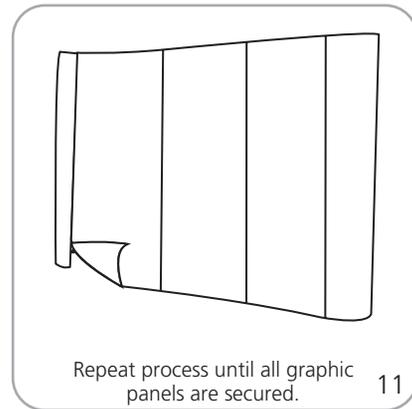

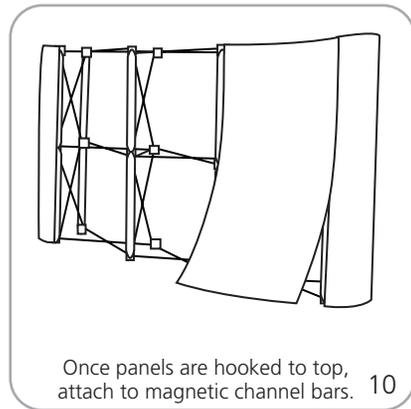

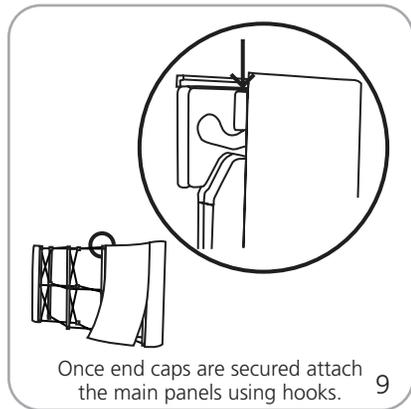

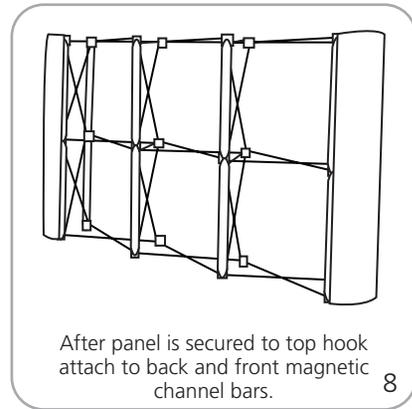

features and benefits:

- Quick to set up
- Easy to store and ship
- Single or double sided
- LED lighting available
- Approx. 20% smaller than standard Coyote tabletops
- Collapses to a fraction of its size

- Entire display rolls up into a special storage sleeve which slides into a padded carry case
- Add an optional OCS hard case for shipping or extra secure storage
- Lifetime hardware warranty against manufacturer defects

additional information:

Recommended material:
22mil Opaque PVC

End panel substrate is to be 10 mils or less

If printing own graphics, magnet must go directly to edge of panel

Frame Set-up

Unpack the frame.   1

Slowly pull upward on the frame to extend it.   2

Push together all locking arms.   3

Place channel bars on frame. Slide into triangular groove to secure.   4

Cover front of frame and two back corners with channel bars.   5

Start graphic attachment with end caps.   6

Hang the panels using the hooks on top of the unit.   7

After panel is secured to top hook attach to back and front magnetic channel bars.   8

Once end caps are secured attach the main panels using hooks.   9

Once panels are hooked to top, attach to magnetic channel bars.   10

Repeat process until all graphic panels are secured.   11

Unit is complete.   12
