Formulate Lite
FMLT-LT-01
Looking for a sharp, simple, portable fabric backwall that sets up in 5 minutes? Look no further. The Formulate Lite 8ft by 10ft fabric back drop is one of the easiest and most portable solutions you can find. In addition to the standard landscape/horizontal configuration, Formulate Lite can be turned on its side to create a portrait/vertical wall as well. The sturdy, lightweight 30mm aluminum frame assembles with push-button functionality. Simply stretch the graphic over the corners of the frame and you’re done. You have an instant, impressive fabric backwall!

**features and benefits:**
- State-of-the-art 30mm aluminum tube frame with snap button assembly
- Takes less than 5 minutes to set up
- Easy to store and ship
- Configures to portrait or landscape

- Kit includes: one frame, one dye-sublimated stretch fabric graphic and carry bag
- OCB storage carry case available as optional upgrade
- Lifetime hardware warranty against manufacturer defects

Assembly for Landscape Configuration
Assemble unit by laying tubes flat on the floor. Connect the tube rails by pressing the push pin buttons in and slide over (see detailed drawing below) following the number labels listed, 1 to 1, 2 to 2 and so on.

Graphic Attachment for Landscape Configuration
Carefully remove the fabric graphic from the protective bag. Place graphic around the bottom of the frame by hooking the bottom fabric pockets around the corner connectors. Pull cover carefully up to the top and hook the top fabric pockets around the corner connectors.
Assembly for Portrait Configuration
Assemble unit by laying tubes flat on the floor. Connect the tube rails by pressing the push pin buttons in and slide over (see detailed drawing below) following the number labels listed, 1 to 1, 2 to 2 and so on.

Graphic Attachment for Portrait Configuration
Carefully remove the fabric graphic from the protective bag. Place graphic around the bottom of the frame by hooking the bottom fabric pockets around the corner connectors. Pull cover carefully up to the top and hook the top fabric pockets around the corner connectors.
