Modulate ™ Fabric Banner kits feature unique angles and shapes, are portable and now are even easier to configure to achieve your dream space! Modulate now offers magnets to attach frames and keep them securely connected together. Choose from multiple frame shapes to design your own combinations – walls, booths, conference rooms, storage areas – the possibilities are endless! The aluminum tube frames feature snap-button connections that are coupled with a printed pillowcase fabric graphic that slips over the frame and zips closed at the bottom. Twist-lock feet connect the tube frames at the bottom of the display. Each frame comes in a durable, portable carry bag.

**features and benefits:**
- Magnetized premium aluminum tube frame with snap button assembly
- Easy to store and ship
- Quick to set up
- Weighted feet for added stability
- Comes with carry bag and box
