Whirlwind

WHRL-WND-2
Whirlwind is a heavy-duty double-sided wing sign for displaying indoor or outdoor graphics. The unit has a wheeled, compact moulded base that can be filled with water or sand. The snap frame poster holders make changing your message quick and easy.

features and benefits

- Single or double-sided
- Quick and easy graphic changes
- Dual-spring design flexes to withstand wind gusts
- Compact durable base can be filled with water or sand for extra stability
- Integrated wheel set
- Front loading snap frames constructed from aluminum and powder coated steel
- Padded base prevents wear and tear
